DISCLAIMER AND SIGNATURE

I certify that my answers are true and complete to the best of my knowledge. I have no objection to this information being verified by fair and lawful means. I understand that the results of Tenant Screening's findings will be forwarded to the appointed Letting Agent and/or Landlord and may be accessed again should I apply for a tenancy agreement in the future. I agree that Field Recruitment Ltd trading as Tenant Screening will perform a company verification search of our credit file to verify our identity and provide a background check of us as a company. This check is performed with a licensed credit reference agency and a footprint will be left in our file. (NB This footprint will not affect an applicant's ability to raise credit.) I understand that if any information within this application is found to be untrue it is grounds for termination of the tenancy under the 1996 Housing Act. I understand that completing this application does not commit the landlord or tenant to a tenancy.

I agree that the information I provide on this form and that is obtained from other relevant sources will be used to process my application for a tenancy agreement. If I succeed in this application and take up the tenancy I understand that the information will be used in the administration of that tenancy agreement, both internally and via external agencies, e.g handling references. In the event that I remain in this property past the initial tenancy agreement period, I understand that it may be necessary to perform subsequent credit and money laundering searches.

I agree for my personal data to be collected and processed by Tenant Screening and I accept that this may include the use of cookies.

I have read the above and agree to be bound by these terms
